

Finding their voice: men living with lung cancer tackle the taboo

Show Notes

It's no secret that lung cancer affects a patient's entire community: family, friends, co-workers and more. Learning to live with lung cancer is its own challenge, especially for men. Hear from three guys who found their own patient voice, and help others find theirs, as they tackle living with lung cancer in unique and powerful ways.

LCFA's mission is the improvement in survivorship of lung cancer patients through the funding of transformative science.

While raising funds to support lung cancer research, LCFA will raise the public's awareness and serve as a resource for patients or anyone seeking answers, hope, and access to updated treatment information, scientific investigation, and clinical trials.

You can also join the conversation with LCFA on [Facebook](#), [Twitter](#), and [Instagram](#).
