

## Donor-Driven Lung Cancer Research: Rocket Fuel for Increased Survival Rates Show Notes

Every donation made to LCFA impacts people living with lung cancer. In other words, the benefits that you, as an LCFA donor, have made in lung cancer research and education by supporting LCFA are significant and meaningful. Hear from Dr. Triparna Sen, a dedicated researcher in the field of lung cancer who demonstrates LCFA's commitment to advancing the understanding and treatment of lung cancer.

### A Block Guest:

- Speaker bio: Dr. Triparna Sen, Associate Professor, Icahn School of Medicine at Mount Sinai, New York City.
- Interview recorded 4-19-23

LCFA's mission is the improvement in survivorship of lung cancer patients through the funding of transformative science.

While raising funds to support lung cancer research, LCFA will raise the public's awareness and serve as a resource for patients or anyone seeking answers, hope, and access to updated treatment information, scientific investigation, and clinical trials.
